

Section 3 - External Auditor Report and Certificate 2020/21

In respect of

South Hinksey Parish Council

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2020/21

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The Notice of Public Rights gives a start date of Monday 29 June 2021. The Monday in question would have been the 28th of June therefore the Notice has been incorrectly completed and therefore does not satisfy the requirement of the Accounts and Audit Regulations 2015 Section 15. If the period commenced on the Monday 28th then the mandatory requirement of 30 working days was met. If the period actually commenced on the 29th June then it did not meet the mandatory requirement of 30 working days and therefore does not satisfy the requirement of the Accounts and Audit Regulations 2015 Section 14. These points should be considered when completing Section 1 of the 2021-22 return.

Other matters not affecting our opinion which we draw to the attention of the authority:

As noted by the council in Section 1 of the return, no risk assessment has been performed during the financial year, we note that the Internal Auditor has also raised this to the council as a breach of the Accounts and Audit Regulations 2015. The council should look to rectify this at its earliest opportunity.

3 External auditor certificate 2020/21
