

Dates and times of meetings for January, May and June 2022

1. The Council agreed at its last meeting to set the normal dates of its 2022 Council meetings in line with past practice, namely that the Council meets on the first Monday evening of each month apart from August.
2. But the Council recognised that in January and May 2022 the first Monday is a public holiday so the Council might meet instead on the second Monday.
3. In addition, the Council considered it might not be advisable to meet on the first Monday of June, given the preceding Thursday and Friday will be public holidays to mark the Platinum Jubilee.
4. The Village Hall Committee has now made clear that if the Council were to meet on the second Monday of any of these months, it would have to meet in the afternoon and be responsible for putting away all the furniture it used at the end of the meeting because the Committee cannot change a longstanding, regular booking for the second Monday evening in the month.
5. The Council is therefore asked to consider whether to accept the offer of afternoon meetings on 10th January, 9th May and 13th June or to seek an alternative date in any or all of these months.
