

## **Dates and times of meetings for January, May and June 2022**

The Council is asked to agree whether to meet on the second Monday evening in January, May and June 2022.

### **Background**

1. The Council has agreed to set the normal dates of its 2022 Council meetings in line with past practice, namely that the Council meets on the first Monday evening of each month apart from August, but the Council has been searching for an alternative date for three months where public holidays mean the first Monday will not be appropriate.
2. The Village Hall Committee originally said that if the Council were to meet on the second Monday of these months, it would have to meet in the afternoon because of a longstanding, regular booking.
3. At its last meeting the Council agreed to investigate meeting on the first Thursday of January and May, and agreed to hold an afternoon meeting on the second Monday in June.
4. The Village Hall Committee has now informed the Council that the time of the longstanding booking has been changed so the Village Hall is available for an evening meeting on the second Monday of every month.
5. The Council is therefore asked to consider whether to accept the offer of evening meetings on 10<sup>th</sup> January, 9<sup>th</sup> May and 13<sup>th</sup> June.
