21/128. Public questions, comments or representations

OxonCC's Jordan Rayner gave a presentation on proposals for the south-facing slip roads to be constructed at Lodge Hill on the A34. A copy of her presentation had been circulated in advance to councillors.

CC asked about the likely increase of traffic on Hinksey Hill. Jordan Rayner said the figures are not yet in the public domain. She said OxonCC is carrying out a transport assessment but it is still in progress. Jordan Rayner mentioned a strategic model.

She acknowledged that she is responsible for the traffic monitoring currently happening on Hinksey Hill and Foxcombe Road. She said she can give the Council that data.

The Chairman complained that traffic monitoring equipment has been attached to a tree that belongs to him but that he had not been asked for permission. He said he felt he was entitled to a written apology.

The Chairman was concerned that the Council had not been adequately consulted. Jordan Rayner acknowledged that agreements had been made by her predecessor with other parish councils closer to the new slip roads.

The Council reiterated its requests for: a weight restriction to prevent lorries using Hinksey Hill as a through route; enforcement of the 30mph speed restriction already in force on Hinksey Hill; and measures to enable pedestrians and cyclists to safely use Hinksey Hill safely.

Jordan Rayner offered to send the Council a summary of the points raised in the discussion.

CC offered to write to Jordan Rayner. The Council **agreed** that a weight limit on heavy good vehicles is its top priority for limiting the harm to parishioners from the new Lodge Hill slip roads. **Action: CC**

21/131. County Councillor's report

The Council had **agreed** to change the order of business so that BJ could give his report before the presentation by OxonCC's Jordan Rayner.

BJ reported that OxonCC is likely to increase the Council Tax by 4.99% for 2022-23 including the extra 1% allowed for adult social care. BJ said OxonCC is facing spending pressures not only from adult but also children's social services.

BJ said that the A34 Lodge Hill slip roads work will be split into two due to a finance shortfall. He would shortly be meeting with Highways and is expecting a comprehensive package of measures to protect local communities.

CC offered to re-send to BJ her message outlining the Council's three requests: a restriction on HGVs; enforcement of the 30mph speed limit; and provision of pedestrian crossings.

CC explained the Council is trying to obtain traffic data. BJ advised her to ask OxonCC's Jordan Rayner.

BJ left the meeting before any planning application was discussed.

21/136. Oxford Flood Alleviation Scheme

The Vice-Chair, JL and the Clerk reported on a well-attended public meeting "The Oxford Flood Alleviation Scheme – Will It Work?" held at West Oxford Community Centre on 19th November at which a wide range of views were expressed.

LG said that at the recent meeting of the Botley Traffic Advisory Committee it was reported that the new Police and Crime Commissioner is encouraging wider take up of the Speedwatch initiative.
