

Hinksey Hill ward vacancy: statement from David Maitland

I have lived in South Hinksey for the last two years after moving here when we returned from Canada.

I am the Chief Executive of a global transit payments business which turns over about \$120m annually – we provide solutions all over the world from Bangkok to Dallas; in Oxford we provide the bus information system used on displays and apps and the Stagecoach bus payment systems.

I have been involved in local service for many years: I was a school governor and academy director for over 10 years, I served on the Remuneration Committee for the Royal Borough of Windsor and Maidenhead, and was a Trustee of St Columba, a retreat house in Woking prior to going to Canada.

I also spent 10 years in public service working as Director of Corporate Services for the Atomic Weapons Establishment.

I have two degrees in Psychology and business administration; I am married with two grown up children who no longer live with us, and spend much of my spare time rowing – being a club member at both Abingdon and Falcon Rowing Clubs.

Although it sounds corny, I believe in serving the local community and this role would provide me with such an opportunity.

David Maitland
