

SOUTH HINKSEY PARISH COUNCIL

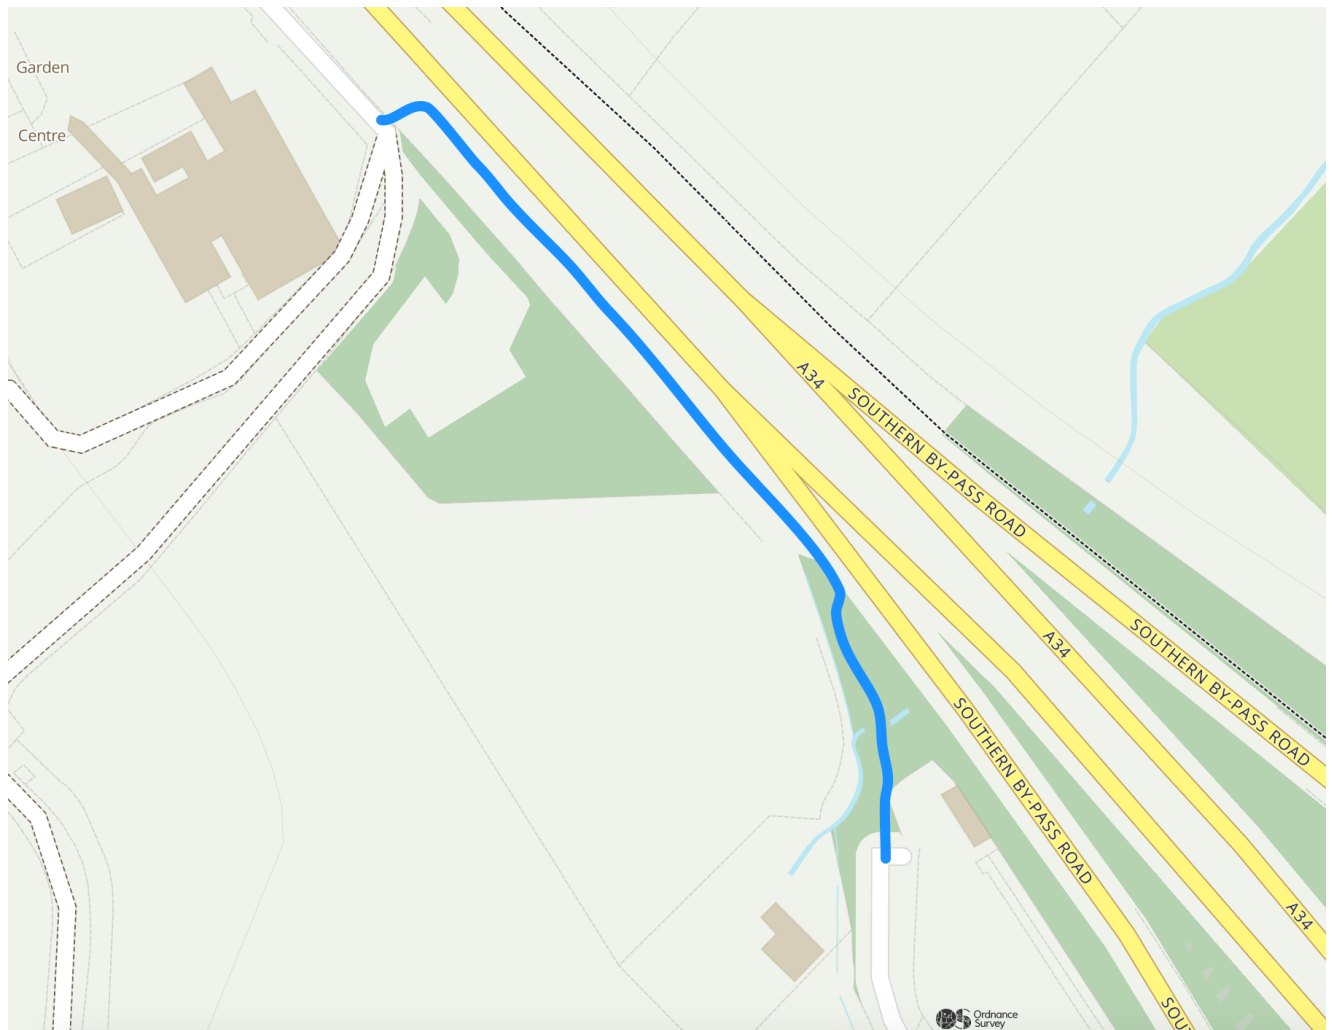

Serving the Local Community

South Hinksey Parish Community Cycleway – Connecting our 2 wards

Objective

This describes the key elements of South Hinksey Parish Council's proposed plan for a cycleway to connect the wards of South Hinksey Village and Hinksey Hill with a cycleway.

Route

Construction Plan

- Combined walking and cycle-path
- Completed to black-top
- Includes: verge levelling, foundations, finishing, and 2 bridge constructions
- Estimated construction budget: £100,000
- Construction timeline: 3 months

Key benefits

- Connects into county-wide cycle network – key connection to Boar's hill and west Oxfordshire
- Safe alternative to Hinksey interchange
- Supports local business - access to garden centre and golf club
- Connects our 2 wards
